Feb. 2017

Dear Friends,

The Harpeth Hills Ladies Golf Association is pleased to announce our 6th annual tournament benefiting Vanderbilt-Ingram Cancer Center - **Pink Power Fore A Cause** - scheduled Monday, August 14th at Westhaven Golf Club, 4000 Golf Club Lane, Franklin, TN 37064. The format is a two-person scramble - men teams, women teams and man/woman teams. Proceeds from the tournament go directly to breast cancer research. Vanderbilt does not apply any of these funds toward administrative or marketing costs.

Vanderbilt-Ingram Cancer Center is home to three Special Programs in Research Excellence (SPOREs) as designated by the National Cancer Institute. It is one of only 10 in the country. The SPORE in Breast Cancer is made up of investigators specializing in patient care, basic science, and "translational" research, or research that moves quickly from basic science in the lab to concrete treatments, methods of prevention, and detection.
